

# Implementing Project Management

Would your organisation like to apply project management in a more consistent and effective way? Your organisation may already use templates and a project management framework, or may need help with developing a fit-for-purpose approach.

We can help build internal capability to plan, execute and close projects of varying sizes. Staff and management need knowledge, skills and motivation to manage successful projects.

Our Implementing Project Management program is a tailored solution. Our level of assistance depends on your objectives, budget and internal project management capabilities. We are able to assist through consultancy, training and coaching.

## **Audience**

Organisations aiming at implementing a consistent and internally supported project management approach.

## **Options**

In this program our Project Management and Change Consultants can advise and assist with implementing a suitable project management approach in your organisation.

Some examples of what we help our clients with:

- Conducting a project management gap analysis
- Developing a business case
- Aligning an approach to organisational strategy
- Developing a project management framework
- Building an implementation roadmap
- Creating a change plan
- Putting governance processes in place
- Training staff and managers on implementing your project management model
- Liaising with executive management.

## **Duration**

We have assisted organisations with widely varying needs, aims and budgets. We help with implementation of project management in many ways: through half-day training interventions to consultancy, training and coaching spanning years.

## **Tailored group training - in-house or through virtual workshops**

Ask us how we will tailor this program to your organisation or team.

Benefits are that we tailor the:

- *Content* to suit your organisation's needs.
- *Delivery* to reflect your procedures, values, examples and terminology, which encourages participants to apply their new skills in their roles.
- *Duration* to suit the availability of your team members and your budget.

Tailoring is mostly for free and always economical as costs are based on a per day delivery and not per participant.

# Virtual Workshops

We deliver programs in interactive, live online workshops, accessible from a device anywhere.

## Highly impactful learning

- Replicating face-to-face workshop experiences through conferencing technology.
- Using extra features for engagement: polls, quizzes, chat, electronic whiteboard.
- Learning in multiple shorter bursts – allowing practice between sessions.

## Benefits of virtual workshops

- Attend the training from the comfort of home or personal workstation.
- No travel time or expenses.
- Multiple short sessions – less impact on work.

## Simple access

- You need: a device with camera and a quiet place.
- No software needed.
- Click on a link to gain access.
- Works on any personal device and most corporate systems.
