

Leading Change

We are operating in a time of exponential change. However change can be frightening – it can make many people fearful, cynical and resistant.

If you plan, manage and communicate well, you can achieve the opposite and have people participating enthusiastically in a culture of change.

This program builds the skills to drive successful change – harnessing the energies for quick change whilst dealing proactively with the hurdles and navigating skilfully around the pitfalls.

Audience

This course is designed for leaders managing change initiatives.

We offer this program in two 3-hour sessions in successive weeks. You can attend this program from anywhere: your workstation or from home.

Outcomes

Learn how to:

- Identify the role leadership plays in various change and transformation approaches
- Build confidence leading change involving complexity, disruption and ambiguity
- Apply effective change leadership skills
- Create requisite resources and capability to enable change
- Build adaptability, resilience and agility for self, others and organisation
- Successfully lead change.
