

Presenting with Confidence

Many of us find presentations nerve-racking. We also know how difficult it can be to keep the audience captivated and engaged.

This course will help to dramatically improve presentation skills. Learn to plan, structure and use delivery techniques that hold audience interest and allow them to easily follow the presenter's line of thought. It also includes four proven strategies to deal with nerves, giving reassurance and confidence.

Audience

This program is designed for people who need to give presentations with confidence and impact.

Outcomes

Learn how to:

- Plan presentations quickly and effectively to suit their audience needs
- Give presentations an effective structure
- Captivate their audience right from the start
- Raise their confidence and deal with tension
- Manage their nerves
- Create effective and appropriate visual aids
- Create an interactive atmosphere
- Deal with tricky or difficult questions
- Plan and deliver a presentation with a punch.

Tailored group training - in-house or through virtual workshops

Ask us how we will tailor this program to your organisation or team.

Benefits are that we tailor the:

- *Content* to suit your organisation's needs.
- *Delivery* to reflect your procedures, values, examples and terminology, which encourages participants to apply their new skills in their roles.
- *Duration* to suit the availability of your team members and your budget.

Tailoring is mostly for free and always economical as costs are based on a per day delivery and not per participant.
